

Play Tower Overhead

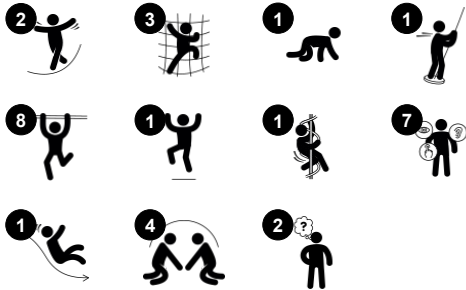

PCM111631

This attractive play structure will inspire all young children to play again and again. The graded challenges and thrilling play activities will make children engaged for a long time. The accessible stairway makes an easy path to the top to navigate the net and slide to the ground. The fast slide and curly climber is thrilling and trains the sense of balance and posture. These

are fundamental for the ability to e.g. sit still and concentrate in school. The Overhead ladder trains children's upper bodies and backs, great training for sedentary children. Under the tower platform there is room with a desk inviting a break to socialise with friends.
