

Crocodile Bench

M243

The Crocodile Bench is the playful solution for young children to rest during play time. They will delight in this friendly but fierce character, that will support their active play too. The crocodile supports social-emotional, as well as physical skills for young children. The intentional design helps children to stay and play, which provides developmental benefits as

well as a lot of fun! In addition to being a place to sit alone or with friends, the Crocodile supports social-emotional development, and friendship skills. The small holes stimulate exploration and provide children with opportunities to play peek-a-boo and other games. Infants will also enjoy moving around the Crocodile, and pulling themselves up to

stand, they learn important physical skills such as coordination and muscle strength.

Item no. M24370-3418P	
General Product Information	
Dimensions LxWxH	70x225x65 cm
Age group	6m+
Play capacity (users)	4
Colour options	

Crocodile Bench

M243

Theme

Cognitive: suggests a theme and supports dramatic play, which stimulates language and communication skills.

Bench

Crocodile Bench

M243

Panels of 19mm EcoCore™. EcoCore™ is a highly durable, eco friendly material, which is not only recyclable after use, but also consists of material produced from +95% recycled post consumer material from food packing waste.

The seating area is made of HPL with a thickness 17,8 mm. KOMPAN HPL has high wearing strength to ensure long lifetime in all climates.

Item no. M24370-3418P	
Installation Information	
Max. fall height	28 cm
Safety surfacing area	15.2 m²
Total installation time	2.5
Excavation volume	0.09 m³
Concrete volume	0.00 m³
Footing depth (standard)	60 cm
Shipment weight	43 kg
Anchoring options	In-ground ✓ Surface ✓
Warranty Information	
EcoCore HDPE	Lifetime
HPL seat	15 years
Spare parts guaranteed	10 years

Sustainability Data

Cradle to Gate A1-A3	Total CO ₂ emission	CO ₂ e/kg	Recycled materials
	kg CO ₂ e	kg CO ₂ e/kg	%
M24370-3418P	64.50	1.56	61.60

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))

Verification of CO₂ calculation of: Themed play systems

Data version no. 2023-10-05

The CO₂ calculation and data are in compliance with the principles of a carbon footprint impact according to the GHG protocol (Greenhouse Gas Protocol), Scope 3, cradle to gate related to all individual components in the product category: "Themed play systems" represented by item no.: MSC641100-3717P.

(Scope 3 emissions include emission sources in the upstream and downstream value chain).

Date: 30. October 2023 | Valid until: 30. October 2025
