

Multispinner Carousel, Teal

ELE400063

Item no. ELE400063-3717

General Product Information

Dimensions LxWxH	5'9"x5'9"x2'6"
Age group	5 - 12
Play capacity (users)	7
Color options	

The quirky look of the fabulous Multispinner Carousel attracts children to try it out again and again. Easily accessible due to its inclination having one lower and one higher end, the Multispinner embraces both younger and older children. The bowls make comfortable seating options. The middle part is a show-of stage for those with extremely good balance skills. With

great cooperation skills, the Multispinner can be spun from seated position, having children coordinate their swinging movements, leaning forwards and backwards in an agreed rhythm. Thus the Multispinner, apart from being great fun, trains cooperation and team work. The spinning movement is a great training of the vestibular system, the sense of balance in

particular. The sense of balance is fundamental to for instance the ability to sit still on a chair, concentrating. In other words, the Multispinner is great play with a purpose.

Multispinner Carousel, Teal

ELE400063

Differently colored bowls

Social-Emotional: encourages children to negotiate which color seat they want, turn-taking. **Cognitive:** supports understanding rules and rules games: children will find reasons for choosing one or the other color.

Spacious platform

Physical: allows for more body positions: sitting, lying, standing, which facilitates use for children with physical disabilities. **Social-Emotional:** facilitates many children using the Tipi Carousel simultaneously, supporting cooperation and turn-taking.

Tilted position rotation

Physical: coordination and balance are supported when spinning. The leg, core and arms are trained when pushing, pulling or when coordinating the Multispinner into motion. When jumping on and off, bone density is strengthened. Bone density for life is mainly built up in the early years. **Social-Emotional:** cooperation, consideration and turn-taking. Wide span of user ages and abilities. **Cognitive:** logical thinking, figuring out how to make rotation when seated, speeding up or slowing down the spin.

Multispinner Carousel, Teal

ELE400063

The GreenLine Multispinner base and bowl in dark teal color are designed with molded PP parts, consisting of 25% recycled post consumer waste and 75% virgin material. The GreenLine option guarantees the lowest possible CO2e emission factor.

The bowls are made of recyclable PE. The bowls are molded in one piece with integrated metal thread bushings and water drain hole to ensure high durability in all climates around the world.

Heavy duty engineered bearing system with single row deep groove ball bearings with rubber seals. The fully closed bearing construction is lifetime lubricated and maintenance free.

The steel surfaces are hot-dip galvanized inside and outside with lead-free zinc. The galvanization has excellent corrosion resistance in outside environments and requires minimal maintenance.

The Multispinner carousel is available in three different color combinations. Two with a gray base and a third GreenLine version in a dark teal color.

GreenLine versions in a dark teal color are designed with molded PP parts which consist of 25% recycled post-consumer waste and 75% virgin material. GreenLine ensures the lowest possible CO2e emission factor.

Item no. ELE400063-3717

Installation Information

Max. fall height	2'6"
Safety surfacing area	445ft ²
Total installation time	5.3
Excavation volume	0.58yd ³
Concrete volume	0.41yd ³
Footing depth (standard)	3'3"
Shipment weight	409lbs
Anchoring options	Surface <input checked="" type="checkbox"/> In-ground <input checked="" type="checkbox"/>

Warranty Information

Bearing construction	5 Years
Hardware	10 Years
Hollow PE Parts	10 Years
Hot dip galvanized steel	Lifetime
Spare Parts Availability	10 Years

Elevated activities 0	Accessible elevated activities	Accessible ground level activities	Accessible ground level play types
Present	0	1	1
Required	0	0	0

ASTM F1487
compliant

Sustainability Data

ELE400063

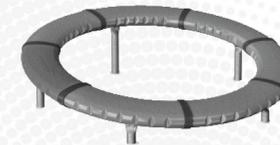

Cradle to Gate A1-A3	Total CO ₂ emission	CO ₂ e/kg	Recycled materials
	kg CO ₂ e	kg CO ₂ e/kg	%

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))

Verification of CO₂ calculation of: Freestanding play equipment

Data version no. 2023-10-05

The CO₂ calculation and data are in compliance with the principles of a carbon footprint impact according to the GHG protocol (Greenhouse Gas Protocol), Scope 3, cradle to gate related to all individual components in the product category: "Freestanding play equipment" represented by item no.: GXY916012-3417.

(Scope 3 emissions include emission sources in the upstream and downstream value chain).

Date: 30. October 2023 | Valid until: 30. October 2025
