

Combi 4

FSW104

Compact and complete street workout and callisthenics combination for training and competition. It features an incline bench, parallel bars, push up bar, decline press, Swedish ladder, human flagpole and pull up station. Seven workout stations in one, and all within only 41 m². The 138cm wide pull up bars are designed to give plenty of space for

dynamic exercises and promote sideways exercises such as the typewriter pull up. The wide bars also allow for users to do pull ups next to each other and thereby compete or motivate each other.
