Outdoor Furniture plays an essential role in our communities by adding an inviting and social atmosphere, a place to meet, socialise or rest. Anita is classic and comfortable park furniture that invites citizens to take a seat and relax. They blend into and enhance public areas like parks and playgrounds etc. Anita Square Bench can be placed around a tree, a light pole

or just as freestanding with multiple use from all sides. The bench is available with a backrest for increased seating comfort.

Anita Square Bench

PAR1055

Bench is made of pine wood post pressure impregnated class AB with Tanalith E3475 according to EN335.

The steel surfaces are hot dip galvanized inside and outside with lead free zinc. The galvanization has excellent corrosion resistance in outdoor environments and require low maintenance.

The benches and tables can be combined in multiple settings by choosing individual products or assembled into larger solutions. See catalog pages for more inspiration.

The hardware is made of stainless steel or galvanized steel to ensure a high corrosion-resistant, durable connection.

The overall framework applied for these factors is the Environmental Product Declaration (EPD), which quantifies "environmental information on the life cycle of a product and enable comparisons between products fulfilling the same function" (ISO, 2006). This follows the structure and applies a Life-Cycle Assessment approach to the entire Product stage from raw material through manufacturing (A1-A3))
